

# CORONAVIRUS DISEASE 2022

THREAT LEVEL-CODE RED

Media Release-12 (PSA220018)

Data as reported by the American Samoa Department of Health by 9:30 PM on March 7, 2022

## Situational Summary

On March 07, 2022, a total of 657 tests were conducted, of these, 49 individuals tested positive. There were 0 reported hospitalizations related to COVID-19. Those who test positive are served with a Home Isolation Directive. Anyone with COVID-19 must stay away from other people, this may include others in their home. If you know someone who tested positive, let them know that you care by sending text messages, video messages, or groceries their way.

About 80.7 % of the total population is fully vaccinated. On Saturday, March 5, about 1569 doses were administered at the COVID-19 Vaccination Drive-Thru Clinic.

## Upcoming Events

COVID-19 vaccines will be available from 8 AM - 4 PM, Tuesday through Friday at DYWA in Pago and at the Leone Catholic Hall. COVID-19 vaccines will also be available at Tafuna DYWA from 8AM - 8PM. Other fixed sites will be open to the public soon.

COVID-19 testing sites are open from 8 AM - 4 PM, Monday to Friday at the health centers in Amouli, and Leone. Tafuna Health Center will be open from 8 AM to 8 PM to provide COVID-19 tests after hours. COVID-19 tests can detect either SARS-CoV-2, the virus that causes COVID-19, or antibodies that your body makes after getting COVID-19 or after getting vaccinated.
